Understanding the SAQ 5.0 Rating Results

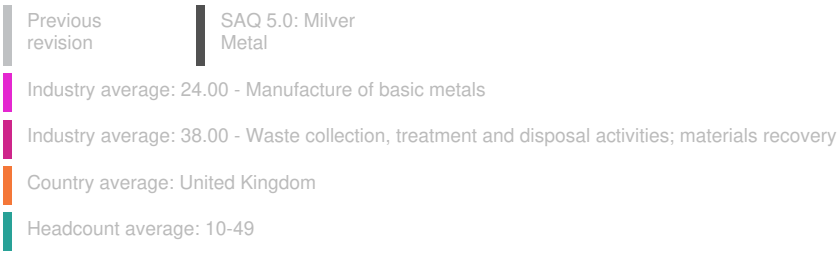

SAQ 5.0 Rating breakdown by section

The SAQ 5.0 Rating is an aggregation of scores that have been achieved for each of the sustainability sections which make up SAQ 5.0. The SAQ 5.0 Rating breakdown is as follows:

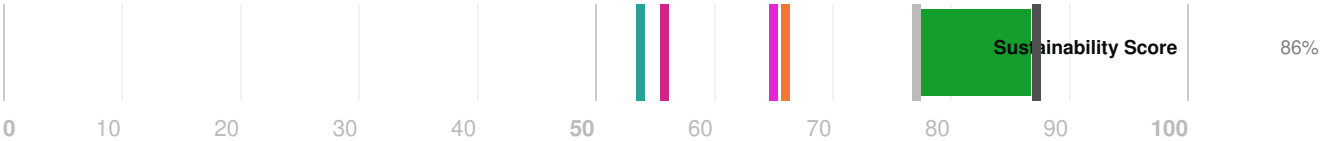

How you have improved over time

Your Minimum Scope Rating has changed from to B and the SAQ 5.0 Rating has increased by 10% since your last revision. Update your SAQ to improve your score.

SAQ 5.0 Rating breakdown

Improving your sustainability performance

This report is designed to provide you with guidance on how you can improve your sustainability performance. It may include a number of recommended improvements to your sustainability policies and practices. These recommended improvements will also display on your SAQ and are visible to buyers. To demonstrate that you are committed to improving your sustainability performance, you are encouraged to implement these recommended improvements.
